PANTHER (RIGHT) PUT ON A GREAT SHOW

THE INTERMEDIATE CLASS RACES WERE ABSOLUTELY SPECTACULAR

Some of the best riding was seen in our 80cc class riders. "A Fearless flyer" would best describe Allan Pereira as he cleared the entire double jump in the the final lap of the first race. Wow!! A heated battle between himself and Joel Easton for 1st place had them share that spot each in their two races. Both Justin Sanguinette and Nasir Rodriguez rode consistently resulting in 3rd and 4th place.

JOSH WINS MINI BIKE CLASS

The little ones weren't left out of the excitement as 3 PW50s, 2 70cc and a 90cc mini battled the mini circuit. Josh Galt won both races. Shane and Kerri Johnson each won a second place position having shared one bike. Nicolas Delmas and Anika Walker shared 3 place each. Jordon Torry placed 5th and 4th in respective races on his 50cc bike.

ON THE MEND...

Jesse Walker had several falls in the first race of the day including a spectacular fall on the big jump. What energy and dynamic riding he displayed. "Big Air" should be his middle name. Jesse's doing fine and is on the mend. We look forward to seeing him at the next meet

SPONSORS:

We would like to thank all our sponsors. Without them these meets would not be possible.

THE WEEKEND!!!

Next race meet will not be on May 8th (Mother's Day) as previously announced. We will aim at May 15th. Even if we do get Chaguaramas, it will not be ready in time for this date. So the next race will be at Indian Trail, Couva.
